

One Enchanted Evening was a success!

The numbers are in and we are excited that it did so well. Although only 34% of our families participated we made nearly \$6,700 of our \$7,000 goal. We want to extend a thank you to all of the families that secured donations. A special thank you to the following people who were instrumental in the success of this event: Chris and Dana Ennest and Courtney Glanzrock for securing most of the donations- Dena Leigh and Amici Catering for providing 450 amazing appetizers and the ECC staff for cooking up their favorites to share and entertaining the children. We would also like to extend a huge thank you to the ECC families that joined us for the evening:
